Iota: Alex Juszczak

Xi: Aaron Day

Rho: Ryan Covitz

Sigma: Finn McSpedon

Tau: Troy Cannon

Upsilon: Advai Govind

Phi: Nate Murphy

Chi: Austin Geddes

New Offices

You may have noticed that there are missing positions compare to last semesters newsletters. We have reassigned responsibilities to positions in the house to be more efficient as a house.

Kickoff With Impact

To start off the semester strong, brothers came up with a creative idea to help raise awareness while also beating the cold. By serving students free hot chocolate around campus, brothers were able to reach lots of people and inform them about blood cancer

NEW SEMESTER, NEW UPSILON

Hello! I am Advai Govind, your new Alumni Chairman for the Fall 2025 Semester! I rushed in Fall of 25' and as a recent initiate, am excited to contribute to this brotherhood. I spend most of my time making/listening to music, reading books, and staying in shape. I'm also studying Computer Science at Purdue.

I look forward to serving as your alumni chairman this semester! If you have any questions, suggestions for the newsletter, or all of the above, you can reach me at **(703)-223-1680**

SUCCESSFUL RUSH

This spring's rush marked a major milestone for our chapter, bringing in eight outstanding new members—one of the strongest classes we've welcomed in recent years. Compared to the smaller spring classes we've seen in the past, this group represents not only growth in numbers but growth in energy, involvement, and momentum for the future of the chapter. Each new member brings unique strengths, perspectives, and leadership potential, helping set the tone for a strong year ahead both socially and philanthropically.

What makes this accomplishment even more meaningful is that our new member class size was larger than many other houses on campus during this spring rush cycle. In a competitive recruiting season, this reflects the strength of our brotherhood, the authenticity of our values, and the positive reputation our members continue to build across campus. This successful rush is a testament to the hard work of our recruitment team and the dedication of every brother who helped showcase what makes our chapter special.

Capturing Brotherhood

One of our newest members, Brian Park (PC fall 25') has recently taken up the unofficial role of recording our house and its events with his camera. As you may have seen on our instagram page, he has taken some beautiful pictures of the house and of our brothers at events.

LINKEDIN MOVEMENT

Attention! We are attempting to move all active chapter and alumni communication to the Skulls Alpha Xi chapter LinkedIn group. This includes the monthly newsletters and communication about alumni events such as tailgates. We also want to expand our communication to include networking and job opportunities. If you haven't already joined the LinkedIn group, here is the link to join:

LINK: https://www.linkedin.com/groups/4673425/

The group will also be linked on the Skulls website alumni page:

LINK: https://www.purdueskulls.com/alumni

We are excited to develop a singular communication channel between actives and alumni! If you know of other alumni who are not yet in the group, please reach out to them as well!
